Footnotes

1) For the 2011 Census, a usual resident of the UK is anyone who, on census day 2011, was in the UK and had stayed or intended to stay in the UK for a period of 1 months or more, or had a permanent UK address and was outside the UK and intended to be outside the UK for less than 12 months.

2) The age of a person is derived from their date of birth. It is their age in years on their last birthday up to and including census day 2011. Dates of birth that imply an age over 115 are treated as invalid and the person's age is imputed.

3) Council area boundaries as at 1 April 2011.

4) Figures in this table may not add exactly because they have been rounded to the nearest hundred.
